

Principal Landscapes

Principal Landscapes has honed its expertise in residential projects, resulting in a reputation as one of Perth's leading landscape contractors.

Creating spectacular landscapes that reflect the individuality of every client is paramount for Principal Landscapes' director Cullen Longbottom.

The highly experienced team at Principal Landscapes works closely with each client to create functional spaces with timeless appeal, while staying within budget.

A member of the Landscape Industries Association of WA, this award-winning company

provides all aspects of landscape consultation, design and construction, from planning approval and plant selection, to pergolas, decking, pizza oven and kitchen installation, garden lighting and maintenance.

The determination to provide innovative design and quality construction, while engaging in constant interaction with the client, has ensured the spectacular growth of this company.

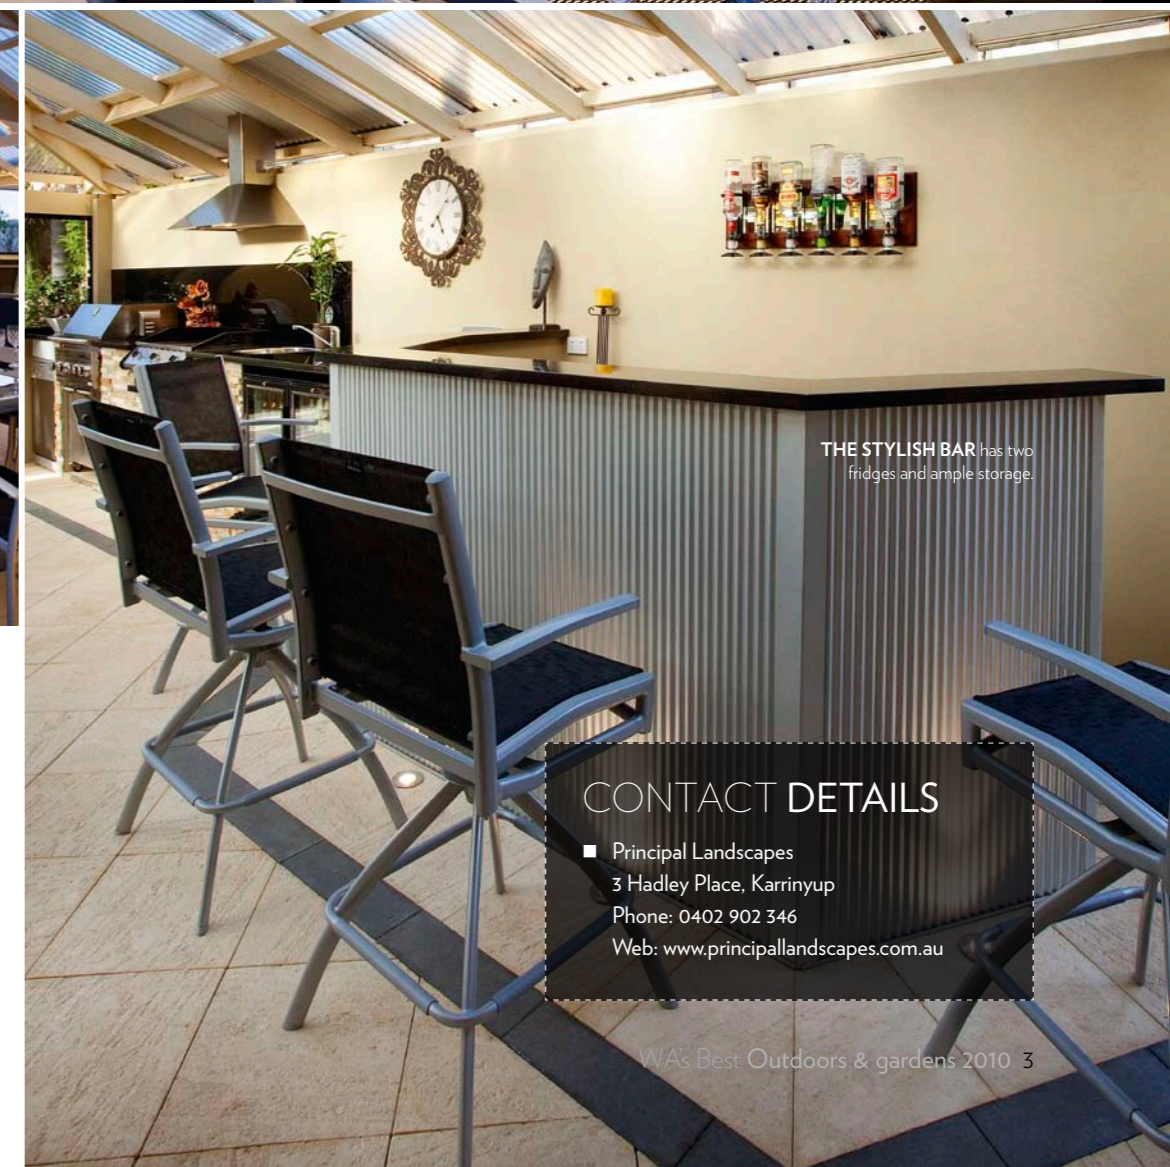

WOODVALE LANDSCAPE

Entertaining was in the blood for the owners of this Woodvale property, with one of them having spent their career as a chef. Little wonder, then, that the brief for this landscape detailed a spectacular entertaining area, where the owners could utilise their culinary skills, day or night.

A spacious kitchen boasts a bar with two fridges, two barbecues, a large wood-fired pizza oven, and a stainless steel sink, dishwasher and

THE OUTDOOR AREA is a timeless extension of this Woodvale home, offering ample entertaining space, in winter and summer.

THE STYLISH BAR has two fridges and ample storage.

fridge. A glass splashback and stainless steel rangehood create a contemporary feel.

Ample space for preparing delectable delights was achieved by installing a granite benchtop to match the indoor kitchen.

Cafe blinds surround the kitchen and large paved area, ensuring plenty of space for mingling, while keeping warm and enjoying the calming view of the pool and natural reserve and lake beyond.
